NO TABOO'S No Taboo's

TabooPhoneFuck is a no taboo phone sex service. As a phone sex operator you will engage in various types of calls with a wide range of fetishes.

Unless prior arrangements are made, you are expected to appease each client in regards to his/her topic of discussion unless that topic could be deemed illegal or promote illegal acts in real life (example: how to advice or instructions).

CHAT ROOM & STATUS

When you are ready to begin your shift, you must login to Model Services. Set your status and participate in the chat room. Your chat room presence is mandatory so long as your status is set to "Available".

When your shift is complete, set your status to "Unavailable" and log out of the chat room.

Additionally: If your status is set to "Available" and you are not in the chat room the Admin or Shift Manager may log you out of Model Services at his/her discretion.

MISSED CALL POLICY

If your status is "**Available**" and you miss a call, you will be docked .25 for that call. If/when your taking a call set your availability to "**On a call**". Once your call is finished, you must update your status!

BLOGS

You are required to write 2 blog postings each week per character. These blog posts help in advertising your character and generating greater client demand. Please remit blogs to: taboophonefuc@aol.com

To help bring in more clients, you are encouraged to use social networking services such as Google+ and Twitter. *Facebook is not very lenient and not recommended.*

Online classified ads are permitted and you must link back directly to one of the following pages:
